Mr. Joe Stocks, President
Uranium Production Co., Inc.
Box 729 - S. Highway 163
Moab, Utah 84532

Dear Mr. Stocks:

This Division has been forwarded a copy of your letter dated Augs 24th relating your intention to commence mining on two (2) mines in Grand County; the Cottonwood, and the Almost mines. Needless to say we have not received any communication directly relative to the reclamation plans for these mines.

We realize that possibly these operations are small enough that they could be exempt from the Act. In any event we would appreciate hearing from you by way of either a reclamation plan or a declaration of exemption both of which are enclosed.

We look forward to working with you on these ventures.

Sincerely,

DIVISION OF OIL, GAS, AND MINING
